EAN CODE: 5908254824890

Industrial power supply for a DIN rail, 24VDC, 10A, 240W, metal housing

Industrial power supply for a DIN rail, 24VDC, 10A, 240W, metal housing.

Rated power:
240W

Input voltage:
100-240V AC

Installation:
a DIN rail

Degree of protection (IP):
22

General information

Output voltage: DC 24 V

Rated power: 240 W

Input voltage: 100-240V AC

Output current: 10 A

Over voltage category:

Installation: a DIN rail

Degree of protection (IP): 22

Dimensions - depth: 113.5 mm

Dimensions - width: 63 mm

Dimensions - height: 125.2 mm

Voltage protection: yes

Current protection: yes

Short-circuit protection: yes

Voltage adjustment: yes

DIN rail type: TS-35/7,5 or 15

Housing material: metal
